

## OUR COOKIES POLICY

Cookies are small text files that are installed by a website in the temporary memory of the browser you use (and therefore in the device from which you connect to the Platform, such as PCs, tablets, mobile phones, etc.) and which record some information relating to your browsing activity. Such data, if the cookies are not disabled, are communicated to the site that installed them every time you return to visit that site. Cookies therefore allow you to (temporarily) record some information relating to your preferences, but at the same time allow you to simplify navigation and make the use and effectiveness of the site you are visiting easier.

### WHAT ARE THE DIFFERENT TYPES OF COOKIES

Cookies, as regards their duration, are divided into:

- **session cookies:** they are automatically deleted when you close your browser navigation;
- **persistent cookies:** they remain stored on your device for a certain period of time (e.g. to allow you to easily authenticate yourself on the Platform, etc.)

and as regards their realization in:

- **own cookies:** created and managed directly by the Data Controller;
- **third-party cookies:** created and managed by parties other than the Data Controller and on which we don't control.

### HOW TO PREVENT THE INSTALLATION OF COOKIES

You can prevent the installation of cookies, which normally occurs automatically with most browsers, by disabling the functions of your browser to enable the reception of cookies.

To understand the exact procedure, we recommend that you click on the link of your navigation browser:

- Firefox;
- Internet Explorer;
- Google Chrome;
- Safari.

### WHICH COOKIES DO WE INSTALL?

Pursuant to the GDPR, the company **Utopia SiS S.p.a.** with registered office in Bologna (BO), via Paolo Nanni Costa n. 20, VAT and Tax Code 11655030960, e-Mail: [privacy@utopiasis.it](mailto:privacy@utopiasis.it), PEC: [utopiasis@legalmail.it](mailto:utopiasis@legalmail.it), (which we will also indicate as the "Data Controller"), install on your device:

1) **TECHNICAL COOKIES:** automatically some technical cookies (session and persistent), or files that allow the correct and easy use of the Platform:

(a) **own, technical and essential cookies:** they allow you to browse the Platform - without them the Platform may not work. For the release of these cookies, current legislation does not ask for your prior consent, other than to indicate them in the information;

(b) **own type of cookies, technical and persistent:** it facilitates you in navigating the Platform avoiding that the brief information (so-called pop-up banner), which asks you for consent to release cookies on your device, is re-proposed to you even after your consent (by clicking on the 'OK' button or other consent system that must be indicated to you)

2) **PROFILING COOKIES:** only after your consent, we will install some types of persistent profiling cookies made by third parties (for example some cookies may be present in images, maps, videos, sounds, links to pages external to the Platform, etc.), who have the task of your profile to allow the sending of targeted advertising messages on the preferences you have expressed during your navigation within the Platform:

(a) **Profiling cookies made by third parties and related to other services (session and persistent):** some pages of the Platform are characterized by the presence of some plugins that could allow a third party to release profiling cookies on your device. You can find the privacy information and how to delete these cookies at this link:

- **Google:** [link](#).

## HOW YOU CAN MANAGE COOKIES

To check which cookies are installed on your device, and possibly change your choices, you can change the privacy settings in the control panel of your navigation browser and / or visit this site <https://cookiepedia.co.uk>.

You can find further basic information on the privacy configuration of your navigation browser by clicking on this link <http://optout.aboutads.info/?c=2#!/>.

You can also check, and possibly modify, your choices regarding 'Behavioral Online Advertising' (i.e. the method that allows third parties to send you advertising messages on the websites you visit, making them more in line with your needs and your interests) we recommend that you visit this site where you will find the information and tools to perform these operations: [www.youronlinechoices.eu](http://www.youronlinechoices.eu).

If you disable the services that install cookies, we inform you that you may not be able to fully use the Platform.

## WHEN DO COOKIES REMAIN INSTALLED?

The duration of the cookies that are installed on your device depends on their nature:

- session cookies are deleted when you close your browser;
- persistent cookies may instead have different expiration dates set by the creator of the single cookie.

To check the duration of each cookie you can use tools such as 'Wappalyzer' (downloadable for free by clicking on this link <https://www.wappalyzer.com/>).
